- All disputes or challenges to results or riders classification must come through the channel of the interclub committee

Results/Points.

Club league points

First 6 riders from each club get the points ,

First 5 riders over the line get bonus points 5,4,3,2,1 for their club

Club points awarded from 50 points down, EG first rider over the line gets 50 points for his club, second 49 and so on... down to 1 - the top six riders over the line for each club get the points for their club, so the racing is not over when the first bunch cross the line, the battles continue right to the end to finish ahead of your opposing club rider and reduce the points they may get.
